

F-9042

Ser. No.

**IN THE DRAWINGS:**

Please find accompanying this response replacement sheets for Figs. 1-3  
wherein amendments explained in the Remarks presented below are effected.

**REMARKS**

The specification has been amended to provide required headings and to delete reference to claim numbers, the latter being disapproved in U.S. practice.

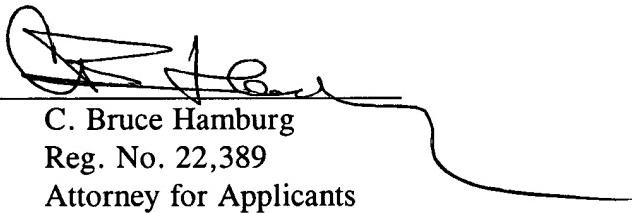

Claims more suitable for U.S. practice are provided.

Reference numbers are deleted from the Abstract lest the Abstract be misconstrued as limiting the scope of the invention to illustrated embodiments.

Additional reference numbers have been added to Fig. 2 to make it consistent with Fig. 1, and 5 and 6 in Fig. 3 have been changed to 5' and 6' because they are differently located from 5 and 6 in Figs. 1 and 2.

Respectfully submitted,

Jordan and Hamburg LLP
